

♥♥♥♥ LEGACY OF AN ADOPTED CHILD ♥♥♥♥

Once there were two women ♥ who never knew each other ♥ One you do not remember ♥ the other you call Mother ♥ Two different lives ♥♥ shaped to make you one ♥ One became your guiding star ★ The other became your sun ● The first one gave you life ♥ and the second taught you to live it ♥ The first gave you a need for love ♥ The second was there to give it ♥ One gave you a nationality ♥ The other gave you a name ♥ One gave you a talent ♥ The other gave you aim ♥ One gave you emotions ♥ The other calmed your fears ♥ One sought for you a home that she could not provide ♥ The other prayed for a child and her hope was not denied ♥ And now you ask me through your tears - the age-old question - unanswered through the years ≈ Heredity or environment ≈ Which are you a product of? ♥ Neither, my darling, neither...Just two different kinds of love. ♥
